CSARN Bulletin CRAAC - Vol. 2 No. 3 - AUG 2013

AUGUST 2013 - WHO WE ARE

The Canadian Senior Artists' Network | Centre de ressources pour les artistes aînés du Canada was launched in 2011 by the arts and cultural community to assist professional artists to live in their senior years with dignity and respect. It fulfills its mandate by providing information, programs and services.

NATIONAL MENTORSHIP PROGRAM IN DEVELOPMENT

We are pleased to announce that we are developing a mentorship program for Canadian senior artists (60 yrs +) and professional artists in all stages of their career who might be interested in being mentored. Under the program, each **mentor will be paid for their time** and **mentees will be**

covered for expenses.

This program will be launched in January 2014. We are piloting the program in **Ontario** for the first and second years, and our intention is to be national by the third year. Please be assured we'll keep you informed about this exciting program through this newsletter and on our website!

If you know anyone who should be on our list, please let us know.

CAREER SURVEY

In case you haven't received or filled out the career survey we sent out in April, you can find it [HERE](#). This survey will help us better understand what your career needs are, and enable CSARN to develop and implement programs and services to meet those needs. Once you have completed the survey, please send it back to us by email at info@csarn-craac.ca. If you have any difficulty completing the form, please contact us, and we will be happy to assist you or provide it to you in another format.

Thank you.
