E-NEWSLETTER - Vol.1 2014

The Canadian Senior Artists' Network | Centre de ressources pour les artistes aînés du Canada was launched in 2011 by the arts and cultural community to assist professional artists to live out their senior years in dignity and respect. It fulfills its mandate by providing information, programs and services. As CSARN-CRAAC grows, we will increase our capacity to act as a resource for senior artists across Canada who seek support in the areas of housing, finances, health, industry/social networking, and computer and social media literacy. **We also proudly announce that our Mentorship Program is now up and running. Read all about in our April newsletter below.**

The CSARN-CRAAC website is currently undergoing a complete overhaul. We will have the new site up by the end of May 2014. During this transition, please feel free to call the CSARN office if you have any general questions about either our services or the Mentorship Program. You'll find our contact information at the bottom of this page.

We'd like to hear from you: Please write to info@csarn-craac.ca to help us focus our efforts on our proposed computer skills class by identifying two or three specific areas you would like to learn about. Please let us know, in that email, if you own your own or if have access to a computer and the type; are you a Mac or a PC?

The Canadian Senior Artists Resource Network (CSARN) - Le Centre de ressources pour les artistes aînés du Canada (CRAAC) gratefully acknowledges the support of the Ontario Trillium Foundation. The Ontario Trillium Foundation is an agency of the Government of Ontario.
